GREAT ACHIEVEMENTS**

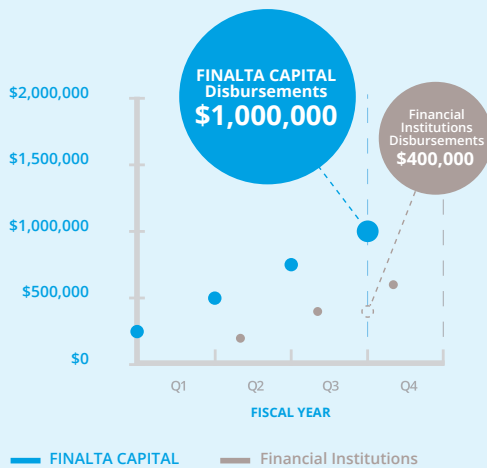

FINALTA CAPITAL is the only financial institution that lets you turn your tax credits and grants into a major competitive advantage.

FINALTA CAPITAL ISSUES YOUR LOAN BEFORE YOU INCUR YOUR EXPENSES.

FINALTA CAPITAL disburses 25% of your annual loan without reserve or holdback on the first day of each quarter in anticipation of budgeted expenditures.

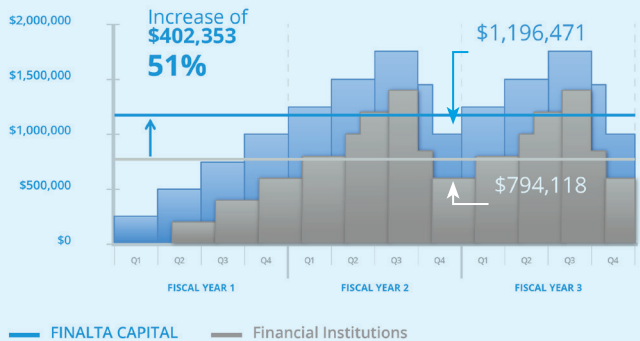

When compared with the financing offer of other Canadian financial or government institutions, FINALTA CAPITAL accelerates disbursements and eliminates holdbacks, generating about 50% more cash based on the same tax credits: a huge advantage that lets you sidestep the need for more expensive and dilutive sources of capital.

**Pre-financed expenditures:
FINALTA CAPITAL vs financial institutions**

FINALTA CAPITAL will have entirely issued your \$1,000,000 loan by the first day of your fourth quarter, whereas other financial institutions will most likely have only issued \$400,000.

50% more liquidity:

For an annual loan of \$1,000,000, the average outstanding loan amount is higher by \$402,353, or 51% more liquidity with financing from FINALTA CAPITAL.
